A collage of Instagram posts from various accounts, primarily @worldarchitecturedesign and @vedrankustura, showcasing modern architecture and interior design. The posts feature a variety of architectural styles, including minimalist concrete structures, lush tropical landscapes, and sophisticated interior rooms. Many posts include captions in Croatian, such as "vedrankustura mater: 'Ovo je više za poludit.' 😂" and "worldarchitecturedesign HotelGram I Interior design and Visualizations by @nareg_taimoorian , Architecture by Me I Split, Croatia 🇭🇷 ... more". One post features a large-scale architectural rendering of a complex building plan. Another post includes a detailed description in orange text about a project's spatial elements and their integration with nature. The overall theme is the promotion of contemporary architectural and design projects.
